I'm a passionate web developer experienced in crafting dynamic applications using the MERN stack (MongoDB, Express.js, React, Node.js). With a keen eye for detail, I specialize in creating user-friendly interfaces. My commitment to delivering high-quality code is complemented by a constant pursuit of the latest industry trends. Excited to contribute my skills and innovation to your projects.

Skills

React

Firebase

Mongo DB

Express.js

Node.js

JavaScript

Tailwind CSS

Mongoose

Soft Skills

Adaptability

Time management

Communication

Collaboration & teamwork

Tools
